### Directions for use

Blankets:

Use Varn News 100 Wash diluted with water (the use of warm water will give faster and better wash-up results) and apply to blanket with a lint free cloth. Allow to penetrate the ink and paper residues, use a second application and buff dry with a cloth.

Rollers:

Use Varn News 100 Wash use neat or dilute with up to 20% water. Always clean any spillage from the floor with water immediately.
