

Varn Take It Off

Roller & blanket deglazer

Varn Take It Off is a superior roller and blanket deglazer in gel form, which penetrates deep into the rubber surface and lifts out dried ink and dissolves built-up glaze.

Varn Take It Off utilises a unique mild particulate which scrubs away ink and glaze, yet will not damage the surface of rollers and blankets. In addition, Varn Take It Off has no affinity to remain on metal or rubber surfaces, so it flushes away completely with a Varn water miscible wash.

Varn Take It Off is especially recommended as a key part of a regular roller maintenance program.

Features	Advantages	Benefits	Product Benefits
Non-abrasive	Safe on rubber rollers. Suitable for use every day.	Increases roller life. Can be used as part of a regular maintenance system.	<ul style="list-style-type: none"> • Safe on rollers and blankets. • Extends roller and blanket life. • Removes gum and ink glaze. • Non-abrasive.
Gel	Easy application.	Highly effective in removing glaze.	
Universal	Can be used for both blankets and rollers.	One product for all applications.	
Highly effective glaze remover	Quicker colour changes.	Increased productivity and reduced downtime.	

Directions for use

Blankets:

Wipe Varn Take It Off on entire surface of blanket and allow to penetrate; then wash up blanket with a Varn water miscible wash before starting up press.

To restore a glaze-blocked blanket, apply Varn Take It Off to the blanket and let stand overnight or over a weekend. Wash up press thoroughly before starting up.

Rollers:

Remove wet ink. Apply a small amount of Varn Take It Off over the distributor roller. Run in for at least 3 minutes.

Engage the wash up blade and rinse rollers with a Varn water miscible wash.
